Dear Oregonian,

It is my pleasure to provide you the online *2010 Recall Manual*. The recall process is a way in which citizens may vote to remove an elected public officer from office.

This manual is presented in two sections: one section for the recall of a state public office holder and the second section for the recall process for any local public office holders (county, city or district). The first part of each section outlines how to file recall petitions, prepare recall petition cover and signatures sheets, circulate petitions, verify signatures and write a statement of justification, while the second part provides general information regarding each jurisdiction's process.

The *Campaign Finance Manual* is also available online. You will need to familiarize yourself with the campaign finance laws if you are considering filing a recall petition.

Please contact your county elections official or the Elections Division of the Secretary of State for assistance with the recall process. The active participation of Oregonians in helping ensure the quality and integrity of our elected public officials is a welcome and valuable contribution to an effective democracy.

Best,

Kate Brown
Secretary of State

State Public Officer Recall Petition Process

Recall Petition Process for State Public Officer (Oregon Constitution, Article II, §18, ORS 249.865-249.877)

Any non-federal public office holder in an elective office may be recalled, whether the person was elected or appointed. This section is for the recall petition process against a **state** public officer (those involving the offices of Governor, Secretary of State, State Treasurer, Attorney General, Commissioner of the Bureau of Labor and Industries, Superintendent of Public Instruction, State Senator, State Representative or District Attorney and any state Judge - of the Supreme Court, Court of Appeals, Tax Court, Circuit Court and any Judge who exercises judicial functions.)

The first step for a recall petition against a **state** public officer is the filing of a prospective recall petition with the Secretary of State, Elections Division. The chief petitioner for a recall **must** be a registered voter in the district from which the public officer is elected or appointed.

The period of time when a recall petition may be filed against a state legislator differs from all other public offices. See the bottom of this page for specific information.

Legislative changes to election petition processes enacted in 2007 affect both state and local recall petition efforts and are incorporated in this manual. However, some changes only affect **state** recall petition efforts. Therefore, the procedures in this section **must** be followed for a recall petition against a **state** public officer.

When a Prospective Recall Petition May Be Filed

The prospective recall petition may be filed:

For a public office holder other than a State Senator or Representative:

must serve at least six months of current term of office before being subject to recall

For a State Senator or Representative:

any time after the 5th day from the beginning of the first legislative session after the election of the legislator

Filing State Recall Prospective Petition (Oregon Constitution, Article II, §18 and ORS 249.865–249.875)

All cover and signature sheets for recall petitions against a state public officer must be approved in writing by the Elections Division **before** circulating. Failure to do so will result in the rejection of those signature sheets.

State Recall Chief Petitioner

The chief petitioner of a state recall petition files the required forms with the Elections Division.

Checklist For Filing a Sufficient Prospective State Recall Petition

The chief petitioner of a state recall petition obtains the following filing forms, available at the back of this manual and online, and files the original prospective recall petition with the Elections Division.

Below is a checklist for filing a prospective recall petition:

- Petition for Recall (Cover Sheet) (SEL 350), on which the chief petitioner states in 200 words or less the reasons for demanding the recall
- Statement One or More/No Petition Circulators Will Be Paid (SEL 300)
- Petition for Recall Signature Sheet (SEL 351)
The copies made for circulation **must** have the Petition for Recall (SEL 350) printed **on the reverse side** of each Petition for Recall Signature Sheet (SEL 351). Therefore, the Petition for Recall (SEL 350) will be referred to as the “cover sheet” for the recall petition because it contains the recall information and instructions for circulators and signers.

The Statement of Organization for Petition Committee (SEL 222) and Campaign Account Information form (SEL 223) for a new committee must be filed with the Secretary of State, Elections Division.

These forms are not required with the initial filing of the prospective petition but must be filed within 3 business days of spending or receiving any money to support the recall effort. However, approval to circulate will not be given until the Statement of Organization and Campaign Account Information form have been filed with Elections Division.

See page 15 for general information on the requirements for filing a Statement of Organization for Petition Committee (SEL 222), a Campaign Account Information form (SEL 223) and campaign finance transactions related to the recall petitioning effort.

Warning

The prospective petition will be **invalidated** before it is circulated for signatures if any of the requirements are intentionally or willfully violated by the chief petitioner of the recall petition or the treasurer of the committee the chief petitioner represents.

Templates for State Recall Petition Cover and Signature Sheets

Secretary of State

After receiving a sufficient prospective petition for a recall of a state public officer and no later than 3 business days after the prospective petition is filed, the Elections Division provides the chief petitioner with official templates of the cover and signature sheets for the petition.

Once the chief petitioner has received the official templates, they may begin the approval for circulation process. The cover and signature sheets **must** be approved in writing by the Elections Division before the chief petitioner may begin circulating the recall petition.

Cover and signature sheets will not be approved for circulation until the Statement of Organization and Campaign Account Information Form have been filed.

State Recall Chief Petitioner

The chief petitioner may submit a written request for modification of the official templates. The Elections Division will review the request and inform the chief petitioner whether the requested modification will be allowed.

Using the official templates provided by the Elections Division, the chief petitioner prepares and submits cover and signature sheets exactly as intended to circulate, including weight, style and color of paper with the cover sheet (SEL 350) copied on the reverse side of the signature sheet (SEL 351).

The electronic template provided by the Elections Division does not need to be submitted for approval to circulate unless the chief petitioners request modification to the template.

Only a chief petitioner or authorized agents may submit cover and signature sheets for approval.

Secretary of State

As soon as possible, the Elections Division approves, in writing, the Petition for Recall (Cover Sheet) (SEL 350) and the Signature Sheet (SEL 351) for circulation. The Petition for Recall (Cover Sheet) (SEL 350) **must be printed on the reverse side** of the Signature Sheet (SEL 351).

The Elections Division provides the number of signatures required for the recall and the deadline for submitting the signatures for verification.

Deadline to Prepare Official Templates

The Elections Division must prepare and deliver to the chief petitioner official templates no later than 3 business days after the prospective petition is filed.

Deadline to Request Modification of Official Templates

The chief petitioner may request modification of the official templates no later than 5 business days after the deadline for the Elections Division to provide the official templates.

Deadline to Review Request for Modification of the Official Templates

The Elections Division must complete review of the request to modify the official templates no later than 5 business days after receiving the request.

Deadline to File a Statement of Organization

The Statement of Organization for Petition Committee (SEL 222) and Campaign Account Information form (SEL 223) must be filed within 3 business days receiving a contribution or making an expenditure to support the recall effort

State Public Officer Recall Petition Process (cntd.)

Signature Requirements for State Recall Petition (Oregon Constitution, Article II, §18, ORS 249.870)

The number of active registered voters' signatures required to place a recall on the ballot is **15%** of the total number of votes cast in the public officer's electoral district for all candidates for Governor at the last election at which a candidate for Governor was elected to a full term.

Contact the Elections Division to confirm the required number of signatures for the particular state public office in question.

Warning

All signature sheets **must** be approved in writing by the elections official **before** circulating. Failure to do so will result in the rejection of those signature sheets.

Circulating a State Recall Petition (ORS 249.865)

Once the chief petitioner receives written approval of the Petition for Recall (Cover Sheet) (SEL 350) and Signature Sheet (SEL 351), the chief petitioner may begin to circulate the state recall petition, following all of the guidelines below.

For a state recall petition, each person being **paid** to collect signatures **must** complete the Elections Division's on-line training program. Once the training program is completed, the person **must** register with the Elections Division.

Any signatures collected prior to the person registering with the Elections Division will be rejected.

Each person being paid to collect signatures **must** carry proof of registration while collecting signatures.

Any person who has been convicted of a criminal offense involving fraud, forgery or identification theft within the last five years may not be compensated for gathering signatures.

Before collecting signatures, the chief petitioner must review with circulators **all of the requirements and guidelines** for circulating the recall petition. A detailed list of instructions for circulators is on the Petition for Recall (SEL 350). **Failure to comply with the legal requirements and guidelines will result in rejection of those sheets.** The guidelines are:

- all signers **must** be active registered voters within the public officer's electoral district
- all signers on any one petition sheet **must** be registered in the same county
- all signatures **must** be original signatures
- all signatures **must** be personally witnessed by the petition circulator and the circulator's certification **must** be completed and dated after all signatures on the sheet have been collected
- circulators **must not** attempt to obtain signatures of persons knowing that the person signing the petition is not qualified to sign it
- circulators **must not** alter, correct, clarify or obscure on the signature sheet any information about the petition signer unless the signer initials the changes made. Only a signer **may** complete the information about themselves, such as their printed name, address and date signed. However, a circulator **may** assist a disabled signer who requests assistance in completing the optional information
- Circulators **must not** offer money or any thing of value to another person to sign or not sign a petition, and **must not** sell or offer to sell signature sheets.

and

- circulators **must** complete the date when the certification is signed and **should not** collect any other signatures on that sheet unless the additional signatures are certified

For instructions on certifying new signatures to a petition sheet that has already been certified and dated by a circulator, see OAR 165-014-0270(4)(d) on page 34.

See pages 17-19 for guidelines for the circulation of petitions and certification of signature sheets.

Warning

Violations of certain circulator requirements may result in conviction of a felony with a fine of up to \$125,000 and/or prison for up to 5 years.

State Recall Chief Petitioner and Circulators

The chief petitioner and other circulators circulate the recall petition by:

- obtaining more than the required number of electors' signatures to ensure the petition contains the sufficient number of valid signatures
- ensuring all signers on any one signature sheet are registered in the same county
- ensuring all signatures are original signatures

and

- ensuring each signature sheet certification is signed and dated by the circulator

Filing a Completed State Recall Petition (ORS 249.875)

Once the chief petitioner has collected at least the required number of signatures to place a recall of a state public officer on the ballot, the chief petitioner may submit the signatures to the Elections Division.

Only the chief petitioner may submit signature sheets for verification. Signature sheets will not be accepted from circulators, agents, circulator companies or any other entity unless the chief petitioner is personally present at the time the signatures are submitted to the Elections Division.

- 1 Before submitting the signature sheets for verification with the Elections Division, the chief petitioner **must**:
 - sort the signature sheets by county

and

- number each signature sheet sequentially within each individual county in the space provided

Warning

It is the responsibility of the chief petitioner to ensure that the signature sheets for each county are separated and numbered sequentially before filing the petition signatures for verification. Failure to comply with this requirement will result in rejection of those sheets not filed in accordance with OAR 165-014-0030.

- 2 Submit sorted and numbered signature sheets for a state recall petition for verification with the Elections Division. The petition must contain at least the required number of original signatures.

- 3 A chief petitioner must report contribution and expenditure transactions electronically using the Elections Division's ORESTAR system. Each financial transaction must be independently reported. See the *Campaign Finance Manual*.

Verification of Signatures (ORS 249.875)

After receiving the signature sheets from the chief petitioner, the Elections Division begins the process of signature verification to determine if the recall petition contains enough valid signatures to qualify for an election.

Secretary of State

The Elections Division processes signature sheets submitted for verification for each recall petition by:

- comparing the submitted signature sheet to the approved versions
- verifying that each signature sheet has a sufficient circulator certification, using the criteria in OAR 165-014-0270 (see page 34). Insufficient circulator certification results in rejection of the petition sheet

and

- verifying that the Petition for Recall (SEL 350) is copied on the reverse side of each signature sheet

If the petition requires more than 4,500 signatures, the Elections Division may use the statistical sampling process described in OAR 165-014-0110 to determine the petition's sufficiency.

Deadline to Submit Signatures

The deadline for the chief petitioner to submit signatures is no later than 5 pm on the 90th day after filing the prospective recall petition. If the date falls on a Saturday, Sunday or holiday signatures are due the following business day. Day one begins the day after the chief petitioner filed the prospective recall petition with the Elections Division.

Deadline to Report Contribution and Expenditure Transactions

A transaction is due not later than seven days after the transaction's occurrence beginning on the date that a sufficient prospective petition is filed and ending on the deadline for submitting signatures for verification. Beginning on the day after the deadline for submitting signatures, a transaction is due no later than the 30th day after its occurrence. See the *Campaign Finance Manual*

State Public Officer Recall Petition Process (cntd.)

Elections Official

The elections officials verify the original signatures against the voters' current registration card to ensure they match and to determine that they are an active registered voter of the public officer's electoral district.

Secretary of State

If the Elections Division determines that a sufficient number of valid signatures have been submitted, the Elections Division certifies the recall petition. If the recall petition has qualified to the ballot, the Elections Division **must** immediately notify the chief petitioner and the public officer subject to recall of the public officer's opportunity to resign or submit a statement of justification.

If an insufficient number of valid signatures have been submitted, the Elections Division notifies the chief petitioner and the public officer of the insufficient filing. **All** notices from the Elections Division to the chief petitioner and the public officer **must** be made in writing.

If signatures are submitted before the 90th day and signature verification shows that the petition has not qualified, the chief petitioner may submit additional signatures up to the 90th day after filing the prospective petition.

Statement of Justification by State Public Officer (Oregon Constitution, Article II, §18 and ORS 249.877 and 254.546)

After it has been determined that there are sufficient signatures to place the recall question on the ballot, the Elections Division **must** notify the public officer in writing of the deadline to resign or submit a statement of justification.

State Public Officer Against Whom Recall Petition Has Been Filed

Once the Elections Division has notified the public officer in writing, the public officer may either:

→ submit a written resignation to the Elections Division

or

→ submit a written Statement of Justification that does not exceed 200 words, explaining the public officer's record in office

If the public officer decides to resign, the resignation is accepted and takes effect on the day it is offered.

If the public officer does not resign, a recall election **must** be scheduled.

Deadline to Complete Signature Verification

Signature verification must be completed no later than the 10th day after the signatures are submitted for verification or no later than the 100th day after the filing of the prospective petition, whichever is earlier.

Deadline for State Public Officer to Resign or File Statement of Justification

The public officer against whom a recall petition has been filed may resign or file a Statement of Justification no later than the 5th day after the recall petition was certified. Day one begins on the day following the day the petition is certified.

Deadline to Conduct the Recall Election

The recall election must be held within 35 days after the resignation period has expired. Day one begins the day after the last day to resign.

County Elections Official (ORS 254.175)

The county elections officials conduct the recall election. Each ballot **must** include **all** of the following:

- the question “Do you vote to recall _____ from the office of _____?” With the name of the person against who in a recall petition has been filed printed in the first blank space and the public office held by the person printed in the second blank space.
- reasons for demanding the recall of the public officer in 200 words or less, exactly as submitted by the chief petitioner on the prospective petition
- if submitted, the public officer’s “statement of justification of the public officer’s course in office,” in 200 words or less, exactly as filed by the public officer

and

- other ballot information required by law

After the election, the county election officials notify the Elections Division of the results of the recall election by delivering the abstract of votes.

State Public Officer Against Whom Recall Petition Has Been Filed (ORS 254.546)

The state public officer continues to perform the duties of the office until the results are officially declared by the Elections Division.

Secretary of State

The Elections Division notifies the state public officer of the results of the recall election.

If the recall election against the state public officer is successful, the vacancy in office occurs immediately upon notification of the results by the Elections Division.

Deadline for the County Elections Official to Deliver Abstract of Votes

The county elections official must deliver the abstract of votes to the Elections Division no later than the 20th day after the election.

Deadline for Elections Division to Declare Election Results

The treasurer or any person designated to file transactions for state and local petition committees must file campaign finance transactions electronically using the Secretary of State's online filing system, ORESTAR, or by using vendor software to upload transactions. In addition, the statute provides for civil penalties up to 10% of the amount of any late or insufficient transactions.

Cover and Signature Sheet Requirements (Oregon Constitution, Article II, §18, ORS 249.865)

All cover and signature sheets for recall petitions against a **state** public officer must be approved in writing by the Elections Division **before** circulating any petition. Only official templates prepared by the Elections Division for the petition will be used to collect signatures. Signatures collected on unapproved cover and signature sheets will be rejected.

If at any time after approval to circulate the circulators' pay status changes, new cover and signature sheets must be submitted for approval. The Elections Division will provide updated official templates to be used by the chief petitioner to prepare and submit new cover and signature sheets. Cover and signature sheets must be submitted exactly as intended to circulate, including weight, style and color of paper with cover sheet copied on the reverse side of the signature sheet.

Warning

Logos, slogans, advertisements, party affiliation, etc. or any symbol or language which may be construed as advocacy is not permitted on any cover or signature sheet. Failure to comply with this requirement will result in rejection of those sheets and disqualification of those signatures.

Deadline to File Statement of Organization

The Statement of Organization for Petition Committee (SEL 222) and Campaign Account Information form (SEL 223) must be filed within 3 business days receiving a contribution or making an expenditure to support the recall effort

The title must be the correct title of the office to which the officer was elected or appointed.
- statement of reasons for demanding the recall (no more than 200 words)

and

- the instructions to the petition circulators and signers exactly as they appear on the Petition For Recall (Cover Sheet) (SEL 350)

continued on next page

General Information for State Public Officer Recall Petition (cntd)

Signature Sheet Template Requirements

The form SEL 350 will be used to create the official template. The Petition for Recall (Cover Sheet) (SEL 350) **must** be copied **on the reverse side of each signature sheet** for a recall petition (SEL 351).

Signature sheets must include **all** of the following:

- a notice stating whether or not one or more petition circulators will be paid
- the sentence “Do not sign this petition more than once”
- a notice stating that “All white petition sheets are circulated by volunteers, who are not paid to gather signatures.”
- statement that signers must initial any changes that the circulator makes to their printed name, residence address or date they signed the petition
- area for placing the petition identification number
- Petition for Recall of (name and exact title of public officer)
- date the prospective petition was filed
- statement that signers on any one signature sheet must be active registered voters in the same county
- area for placing the signature sheet number
- petition circulator’s certification stating that the circulator witnessed the signing of the signature sheet by each individual whose signature appears on the signature sheet and they believe each individual is an elector
- area for providing date when circulator signed certification
- area for placing the county elections official’s certification

and

- ten signature lines unless a variation is approved by the elections filing officer

Each signature line must include fields for:

- signature
- date of signing petition
- printed name
- residence or mailing address

Signers are required to provide a signature. However, an elector’s printed name, residence or mailing address and date they signed the petition are not mandatory under Oregon law. These information fields, while optional for the signer, provide valuable assistance to elections officials who perform the signature verification. If these lines are not completed, the signatures may still be submitted for signature verification. If the elections official can determine from the signature alone that the elector was an active registered voter at the time the elector signed the petition, that signature will count toward the total signature requirement for the petition. If no date is provided by the elector, the signatures are considered valid only if the elector was an active registered voter during the period beginning the date the petition was approved for circulation through the date the petition is filed for signature verification.

Warning

Circulators are advised to encourage signers to complete the optional information whenever possible. Failure to provide the optional information increases the possibility that the signature cannot be confirmed to be that of an active registered voter, and thus reduces the chances of the petition having adequate verifiable signatures to qualify for the ballot.

All cover and signature sheets must be approved in writing by the elections official **before** circulating. Failure to do so will result in the rejection of those signature sheets.

Format Requirements for State Recall Cover and Signature Sheets

State recall cover and signature sheets **must** meet the following formatting requirements:

→ standard 8-1/2" x 11" size paper

→ at least 20 pound (weight) uncoated paper

and

→ printed on pastel colored paper stock to render text readable and enable election officials to readily verify signatures

For **state** recall petitions, white paper is to be used only for petitions that are **not** using paid circulators or for those sheets on a petition that is using paid circulators that are collected by a volunteer. This includes the electronic template provided by the Elections Division.

All paper must be approved by the Elections Division prior to circulation (coated paper will not be approved).

Size and style of type must be deemed readable and approved for circulation in writing by the Elections Division.

Warning

Any proposed variation to an approved signature sheet must be resubmitted and approved in writing by the appropriate elections official **before** circulating. Failure to do so will result in rejection of those signature sheets.

Guidelines for Circulation of State Recall Petitions (ORS 249.865, 260.555 and 260.558)

It is very important that chief petitioners instruct circulators on the guidelines for circulating a petition. A circulator's failure to comply with the guidelines may result in the rejection of petition signature sheets and a felony conviction for the circulator. To ensure compliance with the circulating requirements, the chief petitioner must educate their circulators and monitor their activities.

In addition to the requirements listed below, each person being paid to collect signatures **must** complete the Elections Division's on-line training program. Once the training program is completed, the person **must** register with the Elections Division. Any signatures collected prior to the person registering with the Elections Division will be rejected.

Each person being paid to collect signatures **must** carry proof of registration while collecting signatures.

Any person who has been convicted of a criminal offense involving fraud, forgery or identification theft within the last five years may not be compensated for gathering signatures.

- **may** be paid to obtain signatures on any petition

Warning

Violations of certain circulator requirements may result in conviction of a felony with a fine of up to \$125,000 and/or prison for up to 5 years.

State Recall Petition Signer

Each petition signer must be an active registered voter of the electoral district of the public officer at the time of signing the petition or the person's signature will not be counted.

Signing a petition and filling out a voter registration card, or updating their voter registration information at the same time, is not sufficient to make the petition signature valid, unless the **completed** card is received by a filing officer before 5pm on the same day the petition is signed.

Certification of Signature Sheets (OAR 165-014-0270)

While processing signature sheets submitted for verification, the elections official confirms that each signature sheet has a sufficient circulator certification. The following criteria (as adopted in OAR 165-014-0270; see pages 34-35) are used to determine what constitutes an insufficient or sufficient circulator certification.

Insufficient Circulator Certification

A petition sheet **will be rejected** for insufficient circulator certification for **any** of the following reasons:

- no signature whatsoever appears below the certification
- no date appears next to circulator's signature or the date is crossed out
- the date of the circulator certification is earlier than the date of the electors' signatures, unless the circulator and the only signer are the same person
- the original date is crossed out, and a new date is provided, but the circulator failed to re-sign
- any part of the original date is overwritten with a different date
- the date information is insufficient or ambiguous
The date must be provided in month, day, year order if written in all numeric characters.
- the original signature of a circulator has been crossed out, and a different circulator's signature is inserted
- two individuals sign and date as circulator, unless the only signers and the circulators are the same people
- white-out appears on the signature or date line
- the circulator has signed using only initials, unless the circulator's use of initials as a signature is verified by exemplar
- the circulator has signed using a signature stamp, unless use of a signature stamp has been approved under ORS 246.025.

- the circulator's signature is photocopied, carbon-copied, or otherwise appears on the face of the document to be a replicated and not an original signature except as provided for in ORS 250.043
- the signature, printed name, and address are all illegible
- the signature alone is illegible, unless the circulator's use of the apparently illegible signature is verified by exemplar
- the circulator's signature is in printed script rather than cursive script, unless the circulator's use of a printed signature is verified by exemplar

or

- if for any other reason, from the face of the signature sheet, the circulator's identity cannot be determined or it otherwise cannot be determined that the circulator executed the certification after witnessing the electors' signatures

If a preliminary determination is made that a certification is insufficient, the certification signature may be verified by exemplar.

For correct procedures on filing an exemplar, refer to OAR 165-014-0270 located on pages 34-35.

Sufficient Circulator Certification

The following defects in the circulator certification **will not result in rejection** of the signature sheet:

- the circulator's signature appears on the printed name line instead of on the signature line
- signature consists of full last name and at least the first name initial
- the circulator has signed and dated the certification, but has not provided an address or printed name

or

- the circulator has re-signed and re-dated the certification and the circulator's original signature has not been crossed out

Local Public Officer Recall Petition Process

Recall Petition Process for Local Public Officer (Oregon Constitution, Article II, §18, ORS 249.865-249.877)

Any non-federal public office holder in an elective office may be recalled, whether the person was elected or appointed. This part of the manual applies to a recall effort against a **local** public officer (county, city and district offices).

A **local** public office does **not** include any of the following offices, which are **state** public offices: Governor, Secretary of State, State Treasurer, Attorney General, Commissioner of the Bureau of Labor and Industries, Superintendent of Public Instruction, State Senator, State Representative or District Attorney and state Judges of the Supreme Court, Court of Appeals, Tax Court, Circuit Court and any Judge who exercises judicial functions.

A prospective recall petition is filed with the appropriate elections official with whom the local public office holder files for candidacy. The chief petitioner for a recall **must** be a registered voter in the district from which the public officer is elected or appointed.

Filing Local Recall Prospective Petition (Oregon Constitution, Article II, §18 and ORS 249.865–249.875)

All cover and signature sheets must be approved in writing by the appropriate elections official **before** circulating. Failure to do so will result in the rejection of those signature sheets.

Local Recall Chief Petitioner

The chief petitioner files the required forms with the appropriate elections official.

Only a chief petitioner or authorized agents may submit cover and signature sheets for approval.

When a Prospective Recall Petition Against a Local Public Officer May be Filed

The prospective recall petition may be filed after the public officer has served at least six months of their current term of office before being subject to recall

Checklist For Filing a Sufficient Local Prospective Recall Petition

The chief petitioner obtains the following filing forms, available at the back of this manual and online, and files the original prospective recall petition with the appropriate elections official.

Below is a checklist for filing a prospective recall petition:

- Petition for Recall (Cover Sheet) (SEL 350), on which the chief petitioner states in 200 words or less the reasons for demanding the recall
- Statement One or More/No Petition Circulators Will Be Paid (SEL 300)
- Petition for Recall Signature Sheet (SEL 351)
The copies made for circulation **must** have the Petition for Recall (Cover Sheet) (SEL 350) printed **on the reverse side** of each Petition for Recall Signature Sheet (SEL 351). Therefore, the Petition for Recall (SEL 350) will be referred to as the “cover sheet” for the recall petition because it contains the recall information and instructions for circulators and signers.

The Statement of Organization for Petition Committee (SEL 222) and Campaign Account Information form (SEL 223) for a new committee must be filed with the Secretary of State, Elections Division.

These forms are not required with the initial filing of the prospective petition but must be filed within 3 business days of spending or receiving any money to support the recall effort. However, approval to circulate will not be given until the Statement of Organization and Campaign Account Information form have been filed with Elections Division.

See page 26 for general information on the requirements for filing a Statement of Organization for Petition Committee (SEL 222), a Campaign Account Information form (SEL 223) and campaign finance transactions related to the recall petitioning effort.

Warning

The prospective petition will be **invalidated** before it is circulated for signatures if any of the requirements are intentionally or willfully violated by the chief petitioner of the recall petition or the treasurer of the committee the chief petitioner represents.

Elections Official

As soon as possible, the elections official approves in writing the Petition for Recall (Cover Sheet) (SEL 350) and the Signature Sheet (SEL 351) for circulation. The Petition for Recall (SEL 350) **must be printed on the reverse** side of the Signature Sheet (SEL 351).

Cover and signature sheets will not be approved for circulation until the Statement of Organization and Campaign Account Information form have been filed with the Secretary of State, Elections Division.

Before the petition cover and signature sheets are approved, the filing officer must review the requirements on pages 26-27. The elections official provides the number of signatures required for the recall and the deadline for submitting the signatures for verification.

Signature Requirements for Recall Petition (Oregon Constitution, Article II, §18, ORS 249.870)

The number of active registered voters' signatures required to place a recall on the ballot is **15%** of the total number of votes cast in the public officer's electoral district for all candidates for Governor at the last election at which a candidate for Governor was elected to a full term.

Contact the appropriate elections filing officer to confirm the required number of signatures for the particular public office in question.

Warning

All signature sheets must be approved in writing by the elections official **before** circulating. Failure to do so will result in the rejection of those signature sheets.

Deadline to File a Statement of Organization

The Statement of Organization for Petition Committee (SEL 222) and Campaign Account Information form (SEL 223) must be filed within 3 business days of receiving a contribution or making an expenditure to support the recall effort.

Circulating a Local Recall Petition (ORS 249.865)

Once the chief petitioner receives written approval of the Petition for Recall (Cover Sheet) (SEL 350) and Signature Sheet (SEL 351), the chief petitioner may begin to circulate the recall petition. **Before** collecting signatures, the chief petitioner must review with circulators **all of the requirements and guidelines** for circulating the recall petition.

A detailed list of instructions for circulators is on the Petition for Recall (Cover Sheet) (SEL 350). **Failure to comply with the legal requirements and guidelines will result in rejection of those sheets.**

The guidelines are:

- all signers **must** be active registered voters within the public officer's electoral district
- all signers on any one petition sheet **must** be registered in the same county
- all signatures **must** be original signatures
- all signatures **must** be personally witnessed by the petition circulator and the circulator's certification **must** be completed and dated after all signatures on the sheet have been collected
- circulators **must not** attempt to obtain signatures of persons knowing that the person signing the petition is not qualified to sign it
- circulators **must not** alter, correct, clarify or obscure on the signature sheet any information about the petition signer unless the signer initials the changes made. Only a signer **may** complete the information about themselves, such as their printed name, address and date signed. However, a circulator **may** assist a disabled signer who requests assistance in completing the optional information

continued on next page

Local Public Officer Recall Petition Process (cntd.)

→ circulators **must not** offer money or any thing of value to another person to sign or not sign a petition, and **must not** sell or offer to sell signature sheets.

and

→ circulators **must** complete the date when the certification is signed and **should not** collect any other signatures on that sheet unless the additional signatures are certified

For instructions on certifying new signatures to a petition sheet that has already been certified and dated by a circulator, see OAR 165-014-0270(4)(d) on page 34.

See pages 28-29 for guidelines for the circulation of petitions and certification of signature sheets.

Warning

Violations of certain circulator requirements may result in conviction of a felony with a fine of up to \$125,000 and/or prison for up to 5 years.

Local Recall Chief Petitioner and Circulators

After reviewing the legal requirements and guidelines for circulating a recall petition, the chief petitioner and circulators may start circulating the recall petition. The chief petitioner and other circulators circulate the recall petition by:

- obtaining more than the required number of electors' signatures to ensure the petition contains the sufficient number of valid signatures
- ensuring all signers on any one signature sheet are registered in the same county
- ensuring all signatures are original signatures

and

- ensuring each signature sheet certification is signed and dated by the circulator

Filing a Completed Local Recall Petition (ORS 249.875)

Once the chief petitioner has collected at least the required number of signatures to place a local recall on the ballot, the chief petitioner may submit the signatures to the appropriate elections official.

Only the chief petitioner may submit signature sheets for verification. Signature sheets will not be accepted from circulators, agents, circulator companies or any other entity unless the chief petitioner is personally present at the time the signatures are submitted to the appropriate elections official.

- 1 Before submitting the signature sheets for verification with the elections official, the chief petitioner **must**:

→ sort the signature sheets by county

and

→ number each signature sheet sequentially within each individual county in the space provided

Warning

It is the responsibility of the chief petitioner to ensure that the signature sheets for each county are separated and numbered sequentially before filing the petition signatures for verification. Failure to comply with this requirement will result in rejection of those sheets not filed in accordance with OAR 165-014-0030.

- 2 Submit sorted and numbered signature sheets for verification with the appropriate elections official. The petition must contain at least the required number of original signatures.
- 3 A chief petitioner must report contribution and expenditure transactions electronically using the Elections Division's ORESTAR system. Each financial transaction must be independently reported. See the *Campaign Finance Manual*.

Deadline to Submit Signatures

The deadline for the chief petitioner to submit signatures is no later than 5pm on the 90th day after filing the prospective recall petition. If the date falls on a Saturday, Sunday or holiday signatures are due the following business day. Day one begins the day after the chief petitioner filed the prospective recall petition with the appropriate filing officer.

Verification of Signatures (ORS 249.875)

After receiving the signature sheets from the chief petitioner, the elections official begins the process of verifying the signatures to determine if the recall petition contains enough valid signatures to qualify for an election.

Elections Official

The elections official processes signature sheets submitted for verification for each recall petition by:

- comparing the submitted signature sheet to the approved versions
- verifying that each signature sheet has a sufficient circulator certification, using the criteria in OAR 165-014-0270 (see page 34). The elections official may confer with the Secretary of State on proper application of this rule. Insufficient circulator certification results in rejection of the petition sheet
- verifying that the Petition for Recall (SEL 350) is copied on the reverse side of each signature sheet

and

- sending the signature sheets to the appropriate county elections officials (unless the recall petition is filed with the county) for verification of original signatures

If the petition requires more than 4,500 signatures, the elections official may use the statistical sampling process described in OAR 165-014-0110 to determine the petition's sufficiency.

County Elections Official

The county elections official verifies the original signatures against the voters' current registration card to ensure they match and to determine that they are an active registered voter of the public officer's electoral district.

Elections Official

If the elections official determines that a sufficient number of valid signatures have been submitted, the elections official certifies the recall petition. If the recall petition has qualified to the ballot, the elections official **must** immediately notify the chief petitioner and the public officer subject to recall of the public officer's opportunity to resign or submit a statement of justification.

If an insufficient number of valid signatures have been submitted, the elections official notifies the chief petitioner and the public officer of the insufficient filing. **All** notices from the elections official to the chief petitioner and the public officer **must** be made in writing.

If signatures are submitted before the 90th day and signature verification shows that the petition has not qualified, the chief petitioner may submit additional signatures up to the 90th day after filing the prospective petition.

Deadline to Report Contribution and Expenditure Transactions

A transaction is due not later than seven days after the transaction's occurrence beginning on the date that a sufficient prospective petition is filed and ending on the deadline for submitting signatures for verification. Beginning on the day after the deadline for submitting signatures, a transaction is due no later than the 30th day after its occurrence. See the *Campaign Finance Manual*.

Deadline to Complete Signature Verification

Signature verification must be completed no later than the 10th day after the signatures are submitted for verification or no later than the 100th day after the filing of the prospective petition, whichever is earlier.

Local Public Officer Recall Petition Process (cntd.)

Statement of Justification by Local Public Officer (Oregon Constitution, Article II, §18 and ORS 249.877 and 254.546)

After it has been determined that there are sufficient signatures to place the recall question on the ballot, the elections official must notify the public officer in writing of the deadline to resign or submit a statement of justification.

Public Officer Against Whom Recall Petition Has Been Filed

Once the election official has notified the public officer in writing, the public officer may either:

→ submit a written resignation to the appropriate filing officer

or

→ submit a written Statement of Justification that does not exceed 200 words, explaining the public officer's record in office

If the public officer decides to resign, the resignation is accepted and takes effect on the day it is offered.

If the public officer does not resign, a recall election must be scheduled.

County Elections Official

The county elections official conducts the recall election. Each ballot must include all of the following:

- the question “Do you vote to recall _____ from the office of _____?” with the name of the person against who in a recall petition has been filed printed in the first blank space and the public office held by the person printed in the second blank space.
- reasons for demanding the recall of the public officer in 200 words or less, exactly as submitted by the chief petitioner on the prospective petition
- if submitted, the public officer's “statement of justification of the public officer's course in office,” in 200 words or less, exactly as filed by the public officer

and

→ other ballot information required by law

After the election, the county elections official notifies the appropriate elections filing officer of the results of the recall election.

Local Public Officer Against Whom Recall Petition Has Been Filed (ORS 254.546)

The local public officer continues to perform the duties of the office until the abstract of votes is delivered by the county clerk to the appropriate elections official.

Elections Official

The election official notifies the local public officer of the results of the recall election.

If the recall election is successful, the vacancy in office occurs immediately upon delivery of the abstract of votes to the appropriate elections official.

Deadline for Local Public Officer to Resign or File Statement of Justification

The public officer against whom a recall petition has been filed may resign or file a Statement of Justification no later than the 5th day after the recall petition was certified. Day one begins on the day following the day the petition is certified.

Deadline to Conduct the Local Recall Election

The recall election must be held within 35 days after the resignation period has expired. Day one begins the day after the last day to resign.

Deadline for the County Elections Official to Deliver Abstract of Votes

The county elections official must deliver the abstract of votes to the appropriate elections official no later than the 20th day after the election.

General Information for Local Public Officer Recall Petition

Contribution and Expenditure Reporting
(ORS 260.042, 260.058–260.159)

Prospective Recall Petition Reporting Requirements (ORS 249.865 and ORS 260.118)

The chief petitioner of a prospective recall petition must file a Statement of Organization for Petition Committee (SEL 222) and a Campaign Account Information form (SEL 223) with the Secretary of State, Elections Division. A petition committee may be designated to support only one recall petition. Oregon election law requires petition committees to disclose timely and accurate contribution and expenditure transactions. All petition committees must retain documentation pertaining to contributions received and expenditures made.

The treasurer or any person designated to file transactions for state and local petition committees must file campaign finance transactions electronically using the Secretary of State's online filing system, ORESTAR, or by using vendor software to upload transactions. In addition, the statute provides for civil penalties up to 10% of the amount of any late or insufficient transactions.

For further detail on campaign finance requirements, see the *Campaign Finance Manual* and the ORESTAR User's Manual.

Deadline to File Statement of Organization

The Statement of Organization for Petition Committee (SEL 222) and Campaign Account Information form (SEL 223) must be filed within 3 business days of receiving a contribution or making an expenditure to support the recall effort.

Deadline to Report Contribution and Expenditure Transactions for Recall Drive Effort

A transaction is due not later than seven days after the transaction's occurrence beginning on the date that a sufficient prospective petition is filed and ending on the deadline for submitting signatures for verification. Beginning on the day after the deadline for submitting signatures, a transaction is due no later than the 30th day after its occurrence. See the *Campaign Finance Manual*

Cover and Signature Sheet Requirements (Oregon Constitution, Article II, §18, ORS 249.865)

All cover and signature sheets for recall petitions against a **local** public officer must be approved in writing by the elections official **before** circulating any petition. Signatures collected on unapproved cover and signature sheets will be rejected.

If at any time after approval to circulate the circulators' pay status changes, new cover and signature sheets must be submitted for approval. Cover and signature sheets must be submitted exactly as intended to circulate, including weight, style and color of paper with cover sheet copied on the reverse side of the signature sheet.

Warning

Logos, slogans, advertisements, party affiliation, etc. or any symbol or language which may be construed as advocacy is not permitted on any cover or signature sheet. Failure to comply with this requirement will result in rejection of those sheets and disqualification of those signatures.

Cover Sheet Requirements

Each cover sheet (SEL 350) for a **local** recall petition must include **all** of the following:

- the words **Petition for Recall of**, followed by the correct name of the officer being recalled, and the date the prospective petition was filed
- the title of the officer being recalled
The title must be the correct title of the office to which the officer was elected or appointed.
- statement of reasons for demanding the recall (no more than 200 words)
- the name and address of the treasurer of the chief petitioner committee or the name and address of the chief petitioner

and

the instructions to the petition circulators and signers exactly as they appear on the Petition For Recall (Cover Sheet) (SEL 350)

Signature Sheet Requirements

The Petition for Recall (Cover Sheet) (SEL 350) must be copied **on the reverse side** of each signature sheet for a recall petition (SEL 351).

Signature sheets must appear exactly as the forms located in the back of this manual and must include **all** of the following:

- a notice stating whether or not one or more petition circulators will be paid
- the sentence “Do not sign this petition more than once”
- statement that signers must initial any changes that the circulator makes to their printed name, residence address or date they signed the petition
- area for placing the petition identification number
- Petition for Recall of (name and exact title of public officer)
- date the prospective petition was filed
- statement that signers on any one signature sheet must be active registered voters in the same county
- area for placing the signature sheet number
- petition circulator’s certification stating that the circulator witnessed the signing of the signature sheet by each individual whose signature appears on the signature sheet and they believe each individual is an elector
- area for providing date when circulator signed certification
- area for placing the county elections official’s certification

and

- ten signature lines unless a variation is approved by the elections filing officer

Each signature line must include fields for:

- signature
- date of signing petition
- printed name
- residence address

Signers are required to provide a signature. However, an elector’s printed name, residence or mailing address and date they signed the petition are not mandatory under Oregon law. These information fields, while optional for the signer, provide valuable assistance to county elections officials who perform the signature verification. If these lines are not completed, the signatures may still be submitted for signature verification. If the county elections official can determine from the signature alone that the elector was an active registered voter at the time the elector signed the petition, that signature will count toward the total signature requirement for the petition. If no date is provided by the elector, the signatures are considered valid only if the county elections official determines that the elector was an active registered voter during the period beginning the date the petition was approved for circulation through the date the petition is filed for signature verification.

Warning

Circulators are advised to encourage signers to complete the optional information whenever possible. Failure to provide the optional information increases the possibility that the signature cannot be confirmed to be that of an active registered voter, and thus reduces the chances of the petition having adequate verifiable signatures to qualify for the ballot.

All cover and signature sheets must be approved in writing by the elections official **before** circulating. Failure to do so will result in the rejection of those signature sheets.

Format Requirements for Local Recall Cover and Signature Sheets

Local recall cover and signature sheets **must** meet the following formatting requirements:

- standard 8-1/2” x 11” size paper
- at least 20 pound (weight) uncoated paper

and

- printed on white or pastel colored paper stock to render text readable and enable election officials to readily verify signatures

Size and style of type must be deemed readable and approved for circulation in writing by the appropriate elections official.

General Information for Local Public Officer Recall Petition (cntd.)

Warning

Any proposed variation to an approved signature sheet must be resubmitted and approved in writing by the appropriate elections official before circulating. Failure to do so will result in rejection of those signature sheets.

Guidelines for Circulation of Local Recall Petitions (ORS 249.865, 260.555 and 260.558)

It is very important that chief petitioners instruct circulators on the guidelines for circulating a petition. A circulator's failure to comply with the guidelines may result in the rejection of petition signature sheets and a felony conviction for the circulator. To ensure compliance with the circulating requirements, the chief petitioner must educate their circulators and monitor their activities.

Local Petition Circulator

Each petition circulator:

- **must** only circulate approved signature sheets with the Petition for Recall (SEL 350) **copied on the reverse side** of the signature sheet (SEL 351)
- **must** ensure all active registered voters who sign a single signature sheet are residents of the same county and registered in the electoral district
- **must** personally witness each person who signs the signature sheet
- **must** personally sign their legal signature on the petition circulator's certification with a minimum of a first name initial and full last name
- **must** sign the petition circulator's certification stating that:

"I hereby certify that I witnessed the signing of the signature sheet by each individual whose signature appears on the signature sheet and I believe each individual is an elector."

The circulator **must** complete the date when the certification is signed and **should not** collect any other signatures on that sheet unless the additional signatures are certified.

For instructions on certifying new signatures to a petition sheet that has already been certified and dated by a circulator, see OAR 165-014-0270(4)(d) on page 34.

- **must not** attempt to obtain the signature of a person knowing that the person signing the petition is not qualified to sign it
 - **must not** alter, correct, clarify or obscure on the signature sheet any information about the petition signer unless the signer initials after the changes are made. Only a signer **may** complete the information about themselves, such as their printed name, address and date signed. However, a circulator **may** assist a disabled signer who requests assistance in completing the optional information
 - **must not** knowingly make any false statement regarding the contents, meaning or effect of the petition to a prospective signer
 - **must not** offer money or any thing of value to another person to sign or not sign a petition
 - **must not** sell or offer to sell signature sheets
- and*
- **may** be paid to obtain signatures on any petition

Warning

Violations of certain circulator requirements may result in conviction of a felony with a fine of up to \$125,000 and/or prison for up to 5 years.

Local Petition Signer

Each petition signer must be an active registered voter of the electoral district of the public officer at the time of signing the petition or the person's signature will not be counted.

Signing a petition and filling out a voter registration card, or updating their voter registration information at the same time is not sufficient to make the petition signature valid, unless the **completed** card is received by a filing officer before 5pm on the same day the petition is signed.

Certification of Signature Sheets (OAR 165-014-0270)

While processing signature sheets submitted for verification, the elections official confirms that each signature sheet has a sufficient circulator certification. The following criteria (as adopted in OAR 165-014-0270; see pages 34-35) are used to determine what constitutes an insufficient or sufficient circulator certification.

Insufficient Circulator Certification

A petition sheet **will be rejected** for insufficient circulator certification for **any** of the following reasons:

- no signature whatsoever appears below the certification
- no date appears next to circulator's signature or the date is crossed out
- the date of the circulator certification is earlier than the date of the electors' signatures, unless the circulator and the only signer are the same person
- the original date is crossed out, and a new date is provided, but the circulator failed to re-sign
- any part of the original date is overwritten with a different date
- the date information is insufficient or ambiguous
The date must be provided in month, day, year order if written in all numeric characters.
- the original signature of a circulator has been crossed out, and a different circulator's signature is inserted
- two individuals sign and date as circulator, unless the only signers and the circulators are the same people
- white-out appears on the signature or date line
- the circulator has signed using only initials, unless the circulator's use of initials as a signature is verified by exemplar
- the circulator has signed using a signature stamp, unless use of a signature stamp has been approved under ORS 246.025

- the circulator's signature is photocopied, carbon-copied, or otherwise appears on the face of the document to be a replicated and not an original signature except as provided for in ORS 250.043
- the signature, printed name, and address are all illegible
- the signature alone is illegible, unless the circulator's use of the apparently illegible signature is verified by exemplar
- the circulator's signature is in printed script rather than cursive script, unless the circulator's use of a printed signature is verified by exemplar

or

- if for any other reason, from the face of the signature sheet, the circulator's identity cannot be determined or it otherwise cannot be determined that the circulator executed the certification after witnessing the electors' signatures

If a preliminary determination is made that a certification is insufficient, the certification signature may be verified by exemplar. For correct procedures on filing an exemplar, refer to OAR 165-014-0270 located on pages 34-35.

Sufficient Circulator Certification

The following defects in the circulator certification **will not result in rejection** of the signature sheet:

- the circulator's signature appears on the printed name line instead of on the signature line
- signature consists of full last name and at least the first name initial
- the circulator has signed and dated the certification, but has not provided an address or printed name

or

- the circulator has re-signed and re-dated the certification and the circulator's original signature has not been crossed out

Definitions

As used in state election manuals, unless the context requires otherwise, the following terms mean:

Act

A bill that has been passed by both houses of the legislature and has either been signed by the Governor, or not vetoed by the Governor within the time provided for the Governor to veto or sign the bill. A bill becomes an Act when it has been signed by the Governor or has become law without the Governor's signature.

Appropriate Elections Filing Officer/Official

The person with whom the candidate or political committee files the appropriate forms:

- State Candidate or Measure—Elections Division, Secretary of State's Office
- County Candidate or Measure—County Elections Official
- City Candidate or Measure—City Recorder/Auditor
- District Candidate or Measure—County Elections Official. (For a district located in more than one county, the County Elections Official of the county in which the administrative office of the district is located.)

As of January 1, 2007, all state and local candidates file their Statement of Organization and contribution and expenditure transactions with the Secretary of State, Elections Division. A local candidate should check with their local jurisdiction (e.g. a city or county) as it may adopt ordinances that require a committee to also file campaign finance transactions with the local jurisdiction.

Assembly of Electors

A gathering of registered voters in one place at one time to nominate candidates to partisan office.

Business Days

Regular work days (calendar days excluding weekends and legal holidays as provided in ORS 187.010 and 187.020.)

Candidate

Circulator Certification

- (1) The purpose of this rule is to incorporate into administrative law previously enforced standards on what constitutes a sufficient circulator certification on Initiative, Referendum, Recall, and Candidate Nominating petitions.
- (2) A petition signature sheet will be rejected for insufficient circulator certification if:
 - (a) No signature whatsoever appears below the certification;
 - (b) No date appears next to circulator's signature or the date is crossed out;
 - (c) The date of the circulator certification is earlier than the date of the electors' signatures, unless the circulator and the only signer are the same person;
 - (d) Original date is crossed out, and a new date is provided, but the circulator failed to re-sign;
 - (e) Any part of the original date is overwritten with a different date;
 - (f) Date information is insufficient or ambiguous. Date must be provided in month, day, year order if written in all numeric characters;
 - (g) The original signature of a circulator has been crossed out, and a different circulator's signature is inserted;
 - (h) Two individuals sign and date as circulator, unless the only signers and the circulators are the same people;
 - (i) White out appears on the signature or date line;
 - (j) The circulator has signed using only initials, unless the circulator's use of initials as a signature is verified by exemplar under paragraph (5) of this rule;
 - (k) The circulator has signed using a signature stamp, unless use of a signature stamp has been approved under ORS 246.025;
 - (l) Circulator's signature is photocopied, carbon-copied, or otherwise appears on the face of the document to be a replicated and not original signature except as provided for in ORS 250.043;
 - (m) Signature, printed name, and address are all illegible;
 - (n) Signature alone is illegible, unless the circulator's use of the apparently illegible signature is verified by exemplar under paragraph (5) of this rule;
 - (o) Circulator's signature is in printed script rather than cursive script, unless the circulator's use of a printed signature is verified by exemplar under paragraph (5) of this rule;
 - (p) If for any other reason, from the face of the signature sheet, the circulator's identity cannot be determined or it otherwise cannot be determined that the circulator executed the certification after witnessing the electors' signatures.
- (3) If a petition signature sheet contains elector signatures dated both on or before the date of the circulator's effective certification and after the date of the circulator's effective certification, the signature sheet will be accepted with regard to the elector signatures dated on or before the date of the certification, but elector signatures dated after the date of the certification will not be accepted.
- (4) The following defects in the circulator certification will not result in rejection of the signature sheet:
 - (a) The circulator's signature appears on the printed name line instead of on the signature line;
 - (b) Signature consists of full last name and at least the first name initial;
 - (c) The circulator has signed and dated the certification, but has not provided an address or printed name; or
 - (d) The circulator has re-signed and re-dated the certification and the circulator's original signature has not been crossed out.

- (5) If a preliminary determination is made under paragraph (2)(j), (n) or (o) of this rule that a certification is insufficient, the certification signature may be verified by exemplar in the following manner:
- (a) If the circulator is required to be registered under ORS 250.048 Section 2 the Elections Division will compare the certification signature only to the circulator's signature supplied by the circulator on the circulator's SEL 308, Circulator Registration. If the certification signature matches the signature on the SEL 308 that was in effect at the time that the signature sheet was certified, the petition signature sheet will be accepted. If the certification signature does not match the signature on the SEL 308 that was in effect at the time that the signature sheet was certified, the petition signature sheet will be rejected for insufficient certification. A certification signature may consist at a minimum of a first name initial and full last name and still be accepted even if the signature on the circulator's most recent SEL 308 contains a full first name and full last name.
 - (b) For circulators not required to be registered under ORS 250.048, the Elections Division will compare the certification signature to the circulator's current Oregon voter registration card signature, if available. If the certification signature matches the voter registration signature, the petition signature sheet will be accepted. If the certification signature does not match the voter registration signature, the petition signature sheet will be rejected for insufficient certification.
 - (c) If the circulator is not required to be registered under ORS 250.048 and an Oregon voter registration card bearing the circulator's signature is not available as an exemplar, the Elections Division will compare the certification signature to an alternative exemplar filed with the Elections Division or retained on file by the Elections Division under section (6) of this rule. If the certification signature does not match the alternative exemplar provided or retained under section (6) and (7) of this rule, the petition signature sheet will be rejected for insufficient certification.
 - (d) If the circulator is not required to be registered under ORS 250.048 and an Oregon voter registration card bearing the circulator's signature is not available as an exemplar, and an alternative exemplar has not been filed with or retained on file by the Elections Division under section (6) and (7) of this rule, the Elections Division will notify the chief petitioner or the chief petitioner's designee by telephone and electronic mail, if available, and provide the chief petitioner or designee an opportunity to submit an alternative exemplar of the circulator's signature.
 - (A) If an alternative exemplar is requested by the Elections Division not later than the 20th day after signatures are submitted for verification, the chief petitioners or the chief petitioner's designee must provide the alternative exemplar within 2 days of notification for the alternative exemplar to be considered.
 - (B) If an alternative exemplar is requested by the Elections Division after the 20th day after signatures are submitted for verification, the chief petitioners or the chief petitioner's designee must provide the alternative exemplar within 1 day of notification for the alternative exemplar to be considered.
 - (C) The alternative exemplar must be a signature on an official government-issued document such as a driver's license or passport, and must have been executed before the date of the attempted certification of the petition signature sheet. If the certification signature matches the alternative exemplar, the petition signature sheet will be accepted. If the certification signature does not match the alternative exemplar, the petition signature sheet will be rejected for insufficient certification.
 - (D) The alternative exemplar may be physically delivered to the Elections Division or may be delivered by facsimile transmission or electronic mail. If delivered by electronic mail, the document must be reproduced in .gif or .pdf format. The alternative exemplar must be received at the office of the Secretary of State not later than 5 p.m. of the day it is due.
- (6) Chief petitioners may submit alternative exemplars of petition circulators' signatures at the same time they submit petition signature sheets for signature verification. The alternative exemplar must comply with the requirements of paragraph (5)(c) (C) of this rule. When submitting alternative exemplars, chief petitioners must provide a list of circulators for whom they are submitting alternative exemplars. If no list accompanies the alternative exemplars submitted under this section, those alternative exemplars will not be accepted or used to compare the circulator's signature to the certification. If an alternative exemplar is omitted from the list, that alternative exemplar will not be accepted or used to compare the circulator's signature to the certification. Chief petitioners may still be offered the opportunity to submit alternative exemplars under paragraph (5)(c).
- (7) Alternative exemplars received and accepted by the Elections Division under paragraphs (5) and (6) of this rule, will be retained on file for two years from the date of receipt.
