**SECRETARY OF STATE ANNOUNCES  
UNOFFICIAL INITIATIVE SIGNATURE VERIFICATION RESULTS FOR INITIATIVE  
#13 AND #28**

SALEM -- Secretary of State Kate Brown announced today that an “unofficial” verification of signatures for two initiative petitions submitted for the November 2, 2010, General Election ballot has been completed.

The results of this verification show the following petitions contain **enough valid signatures** to qualify to the ballot:

**Initiative #13: Requires increased minimum sentences for certain repeated sex crimes,  
incarceration for repeated driving under influence**

This proposed statutory amendment required 82,769 valid signatures to gain ballot access. The petition contains 93,223 valid signatures, or 68.21% of the 136,674 total signatures submitted for verification.

**Initiative #28: Establishes medical marijuana supply system and assistance and research  
programs; allows limited selling of marijuana**

This proposed statutory amendment required 82,769 valid signatures to gain ballot access. The petition contains 85,848 valid signatures, or 65.68% of the 130,702 total signatures submitted for verification.

The results of all initiative petition signature verifications for the 2010 cycle will become final on August 1, 2010, the constitutional deadline for certification of all of the initiatives submitted for the 2010 General Election. Until then, any legal challenges or amended verification reports from counties could alter the final numbers. Thus, results are considered “unofficial” until the August 1<sup>st</sup> deadline.

Measure numbers will be assigned after the August 1<sup>st</sup> deadline.
